RE: 2021-2022 School Fees and Tuition Important Notes and Changes

- Daycare, Preschool & School-Age programs are YEAR AROUND programs. (effective Aug 2020)
- Parents may not withdraw students for June and July and re-enroll in August.
- Parents who wish to withdraw their child permanently must give a 2 week notice and will not be able to enroll at BA for one calendar year.
- All spaces are first-come, first-served. Parents must secure their child's enrollment for the new school year and pay fees according to the schedule below. If enrollment is not secured, the space will be open for NEW students at Bridgeway Academy.
- All school fees are non-refundable.
- Adjusted payment schedule for fees will not be available.
- Tuition is a MONTHLY tuition. Tuition is not prorated for absences, school breaks, holidays or days school is closed due to inclement weather, teacher trainings or an outbreak of any type of illness.
- A late fee of \$50 is added if tuition is not paid on time.
- All essential workers participating in the tuition program offered by DHR will be required to pay July tuition on or before June 1st. An invoice will be added to the parent's Procure portal and payments may be made during the months of April and May.
- We are fortunate to have AMAZING teachers and staff at Bridgeway Academy. In order to keep our staff and avoid laying off employees in the summer due to a drop in enrollment, we will not offer a part time option for daycare and pre-school students in June and July. However, we will offer a part-time option for school-age students as this will not require us to make any changes in staff.
- The 2021-2022 uniform policy, school calendar and BA Student Handbook and Parent Guide will be revised and uploaded to the website in May, 2021.
- Uniform Pre-Order sheet will be sent home in April via email.
- Students who turn 2 during the school year will continue to pay daycare prices for the remainder of the 2021-2022 school year.
- [Returning students will have an invoice for school fees added to their Procure portal. Parents who wish to enroll may pay the invoice to secure their child's enrollment. All unpaid invoices will be deleted on April 1st and those spaces will be available for NEW students who wish to enroll for 2021-2022 school year.](#)
