RE: 2023-2024 School Fees and Tuition Important Notes and Changes

- All spaces are first-come, first-served. Parents must secure their child's enrollment for the new school year and pay fees according to the schedule below by March 3rd. **If enrollment is not secured, the space will be open for BA NEW students on March 16th.**
- **A \$100 registration fee (in cash) is required to secure the child's enrollment. An invoice for the remaining school fees will be added to the parent's Procure portal.** Parents must pay the fees according to the dates on the fee schedule. **On March 17th any open spaces will be available for new students currently on the wait list for BA.**
- Daycare, Preschool & School-Age programs are YEAR AROUND programs. (Effective Aug 2020)
- Parents may not withdraw students for June and July and re-enroll in August.
- Parents who wish to withdraw their child permanently must give a 2 week notice and will not be able to enroll at BA for one calendar year.
- All school fees are non-refundable. (No Exceptions)
- Adjusted payment schedule for fees will not be available unless the child registers during the months of November, 2023 – June 2024.
- Tuition is a MONTHLY tuition. Tuition is not prorated for absences, school breaks, holidays or days school is closed due to inclement weather, teacher trainings or an outbreak of any type of illness.
- A late fee of \$50 is added if tuition is not paid on time.
- We are fortunate to have AMAZING teachers and staff at Bridgeway Academy. In efforts to keep our staff and avoid laying off employees in the summer due to a drop in enrollment, we will not offer a part time option for daycare and pre-school students in June and July. However, we will offer a part-time option for school-age students as this will not require us to make any changes in staff.
- The 2022-2023 uniform policy, school calendar and BA Student Handbook and Parent Guide will be revised and uploaded to the website on or before May 30, 2023.
- Uniform Pre-Order sheet will be sent home in April via email.
- Students who turn 2 during the school year will continue to pay daycare prices for the remainder of the 2023-2024 school year.
- Students who turn 1 during the school year will have tuition changed on the following month.
