

## **Homework Happy Hours**

*Don't do your homework alone!* **Bridgeway Academy** will offer “Homework Happy Hours” on Monday, Tuesday and Thursday evenings from 5:30 – 8:30 in our **JOURNEY** classroom. Students will be able to complete homework assignments, work on school projects, and study for tests. Students may bring an electronic device to assist them with completing a homework assignment or research. A certified teacher will be available to help students remain focused and to assist students with minor homework questions. The BA teacher will inform parents if a student is struggling on a homework assignment with a specific skill or content area. Parents are encouraged to report this information to the child’s teacher at his/her school.

**Student Study Groups** are welcome to use this time to study in a small group. Study Groups will use our **DISCOVERY** room, so the noise won’t distract others who need a quiet environment. A Bridgeway Academy teacher will help the study group begin their study session and will monitor the group as needed. Study Groups may request a BA teacher to facilitate the study session. However, this request must be made at least one day in advance.

**Bridgeway Academy** provides an environment that is conducive to learning. Therefore, all Homework Happy Hour participants are expected to follow the school rules. Any student that becomes disruptive will be asked to leave and a refund will not be provided. The director will determine if the student’s privileges of attending a Homework Happy Hour session are revoked. It is our goal to protect the learning environment from any distractions.
